

Rachel Levy

(b. 1968)

Levy is the 2020–2021 AMS/AAAS Congressional Policy Fellow, having recently served as the deputy executive director of the MAA. Before that she was professor and then an associate dean at Harvey Mudd College, with expertise in the mathematical modeling of thin films and biological applications of fluid mechanics. Levy was honored with an MAA Alder Award (2013) for Distinguished Teaching,

has served as the vice president for education for SIAM, and co-authored the *Guidelines for Assessment and Instruction in Math Modeling Education (GAIMME)*. She co-founded the Business, Industry, and Government (BIG) Math Network and co-wrote the *BIG Jobs Guide*. Levy also created the *Grandma got STEM* blog.

This poster is part of the EvenQuads project, which combines innovative mathematical card games with learning about amazing women mathematicians. The project celebrates the 50th anniversary of the Association for Women in Mathematics.
